### **NATURAL GAS RATES TO CHANGE FOR AQUILA, INC. d/b/a AQUILA NETWORKS--- L&P UNDER SCHEDULED WINTER NATURAL GAS FILING**

Jefferson City (November 13, 2003)---To reflect estimated changes in the cost of natural gas for the winter season as well as changes to the Company's Actual Cost Adjustment (ACA) factor, Aquila, Inc. d/b/a Aquila Networks-L&P customers will experience an increase in natural gas rates under a scheduled winter season filing reviewed and accepted by the Missouri Public Service Commission. This rate change, which will take effect on November 14, 2003, is interim subject to refund.

The ACA is a mechanism which tracks actual natural gas costs over a 12 month period. It ensures that what the natural gas company pays to its suppliers for natural gas is in fact what it recoups in rates from its customers. The ACA makes adjustments to rates if any over or under collections of natural gas costs occurred over the last 12 month period.

A residential customer currently pays \$0.60766 per Ccf (100 cubic feet of gas). Under this filing, the rate will increase to \$0.68975 per Ccf, an increase of approximately 8.2 cents per Ccf. The effect on a typical residential heating customer for the winter season (November through March) is an increase of approximately \$73 when compared to the rates currently in effect.

Approximately 65% to 80% of a customer's natural gas bill reflects the cost of natural gas from wholesale suppliers. **The wholesale cost of natural gas** (the cost your local natural gas company must pay to its suppliers for natural gas) **is not regulated by the Missouri Public Service Commission.** The wellhead cost of natural gas is unregulated and is primarily driven by supply and demand. The Missouri Public Service Commission does conduct an annual regulatory review to ensure that regulated gas companies make prudent decisions in securing natural gas supplies for their customers.

Aquila, Inc. d/b/a Aquila Networks-L&P serves approximately 6,300 natural gas customers in the Missouri counties of Andrew, Atchison, Nodaway and Holt.
